

Talking about “A Thousand Naked Strangers”

April 13th, 2016 – Bookclub, Starbucks by Stateline (4000 Lake Tahoe Blvd)

Kevin Hazzard's **A Thousand Naked Strangers: A Paramedic's Wild Ride to the Edge and Back** will bring you, predictably, to the edge and back.

“This was a fascinating read. It is written so well, you feel like you are along for the rides with the EMTs. I would recommend: ‘When I do get him to talk, it’s always about Ohio. People from Ohio are like New Yorkers, always bragging about their hometown, except New Yorkers actually have something to brag about.’” – Meghan, via goodreads

Hangout over coffee/tea/wine and share your impressions.
